

# COMPARE THE CANDIDATES: GEORGIA STATE HOUSE

## MARCY WESTMORELAND SAKRISON

A True Trump Conservative We Can Trust

### Supports President Trump's Stimulus

Marcy supports President Trump's stimulus package, which will help ignite the economy and reopen small businesses in Georgia and throughout the nation.

### Opposes MARTA Funding

Marcy pledges to vote against all MARTA funding. It is a colossal waste of taxpayer dollars and should never cross the Coweta County line for any reason whatsoever.

### Opposes Giving Illegal Immigrants Education Funding

Marcy opposes giving special perks to illegal immigrants. She will always vote to stop illegal immigration, ban sanctuary cities and supports President Trump's efforts to secure our borders.

## PHILIP SINGLETON

Talks Like a Conservative, But Votes Like a Liberal

### Opposes Trump's Economic Stimulus

Singleton opposes President Trump's economic stimulus package which gives every taxpayer \$1,200 direct payments and provides small businesses emergency loans so they can pay their workers and avoid bankruptcy.<sup>1</sup>

### Fully Funded MARTA

After falsely lying about Marcy wanting to bring MARTA to Coweta County, Singleton voted to fully fund MARTA.<sup>2</sup>

### Taxpayer Funded Education Perks for Illegal Immigrants

Singleton voted to allow illegal immigrants to enroll in taxpayer-funded college classes, while removing Georgia children from this program.<sup>3</sup>
